# Our Work

“At Firstplan our graduates work across a range of sectors gaining experience with each of the Directors who specialise in different areas”.

## Our project sectors

## Our clients include:

## Examples of our successes:

### Everyman, Muswell Hill

*Firstplan secured planning permission and listed building consent for the refurbishment of the grade II\* Everyman Cinema in Muswell Hill. Our work on this project was awarded a 'highly commended' at the Planning Awards 2017.*

### Fitzroy Park, Highgate

*Firstplan worked with award winning architects Stanton Williams to secure consent for a replacement dwelling in the Highgate Conservation Area, close to Hampstead Heath. The house won the prestigious RIBA London Award 2015 and featured on Grand Designs House of the Year.*

### West Street, Sheffield

*Firstplan secured permission for an extension to 95-111 West Street, Sheffield, to allow for new, high quality student accommodation within the City Centre*

## It's more than just work...

*“The skills of our people and the supportive, team culture is key to the success of Firstplan. With regular social activities and days away, life at Firstplan is more than just work”.*

# Graduate Vacancies

We are looking for candidates who:

- Are undertaking an RTPI accredited postgraduate course;
- Have excellent verbal and written communication skills;
- Are enthusiastic, career-minded and committed to their own personal development.

Interested candidates should email their CV and a covering letter to:
